

The Mike O'Hanlon Memorial Van Fundraiser

Quiet Man Public House
15 N Division St, Peekskill, NY 10566

The Foundation is an all-volunteer, a registered 501(c)(3) not-for-profit corporation that is dedicated to the well-being of the fire department family. They depend on donations of equipment, funds and service to carry out their mission. Through donations they have acquired a fleet of 25 vehicles that are commissioned to the Fire Department and are available around the clock to provide transportation services to active duty members, retired members and their families.

Throughout Mike's illness, they were great source of comfort and support, taking him to and from appointments, hospital visit, and just being there. At our darkest hour they were by our side every step of the way providing comfort, support, and love. Our family is very grateful for all they did for us. They are in need of more vans to assist those that need help. The vans are in use every day and the need is increasing. Right now there over 2000 FDNY personnel, both active and retired that have a WTC illness. We would like to donate a van in Mike's memory to give support to those in need. No donation is too small or too big. All Donations are welcome.
